

**Agreement
for the appropriate re-stamping of materials
and products for marine equipment and structures according to
Lloyd's Register Rules and Regulations for the Classification of Ships**

Between the Company (production place):

**Tech-Projekt Sp. z o. o.
ul. Inwestycyjna 4
26-600 Radom, Poland**

and

**Lloyd 's Register Marine Polska Sp. z o. o.
Al. Zwyciestwa 13a
80-219 Gdansk, Poland**

is agreed that the following employees are entitled for the re-stamping of materials with quality certificates by Lloyds Register Rules and Regulations, Part 2, Chapter 1 and in dependence on EN 10204:

Name	Dept.	Personal Stamp (ID)
Magdalena Drabik	Production preparation	P00004
Olivia Staniewska	Production preparation	P00207
Karolina Kowalczyk	Production preparation	P00163
Diana Czapczyńska	QC	P00111
Przemysław Niewiadomski	QC	P00167
Piotr Jendryka	Production	P00008
Tomasz Belowski	Production	P00069
Maciej Sempioł	Production	P00211
Ireneusz Lipiec	Production	P00196
Sebastian Bernat	Production	P00012

For:

- ☒ Marking/stamping of material samples intended for testing
- ☒ Transfer of ID markings during the whole production process

The agreement requires a check of the identity of the material/blanks against the related certificates and compliance with the applicable Lloyds Register Rules and Regulations, Part 2. The ID markings must be transferred prior to removing the original ID marking. The ID marking transfer to be validated by the entitled employee by registering in the production system acc. to procedure No. P-9.2 Issue 06 and supported instruction No. I.1 Issue 06 which is the part of certified quality management system acc. to ISO 9001:2015.

For the transfer of ID markings of material with quality certificates according to EN 10204 / 3.2 which are not certified by Lloyd's Register, a specific agreement between the Company and its client should apply.

For a complete traceability of the material/blanks, an ID marking transfer record needs to be completed for each re-stamping.

This ID marking transfer record shall include at least:

- Techno code (ID production order number or ID stock number)

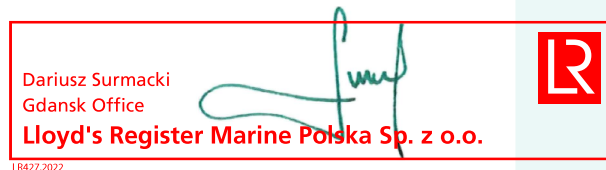

The ID marking transfer record and original material certificates must be presented at the final acceptance and certification.

Changes company structure, QC processes or in the entitled persons need to be communicated to Lloyd 's Register Marine Polska Sp. z o. o., Gdansk without delay.

This agreement is valid for five years until 19.08.2030 and subject to annual verification.
