

# FÖHL

Forming the future.

Do you require **urgently**

## NEW SUPPLIER

We can transfer your project  
within just **1 week!**

**Quick and professional support:**

Our **Sales & Engineering Team** carefully evaluates the **part data** and ensures **project feasibility**.

**Robert Kristo**  
Head of Sales &  
Business Development

## Efficient, goal-oriented preparation

Our **Engineering, Quality Management,** and **Toolmaking teams** conduct a focused analysis and evaluation of the tool. This is followed by part sampling at all process stages.

## Continuous improvement

By implementing **continuous, process-integrated optimization measures,** we achieve a **significant reduction** in **rejects** and **lead times.**

## Successful project transfer

**Following** initial optimizations derived from **sampling results** and your **process approval,** we start **series production supply.**

We deliver **top quality** on time and offer **personalized consulting** and **technical support** whenever you need it.

**Föhl - your reliable supplier!**
