BUSINESS STRUCTURE	Limited Liability Company
ANNUAL TURNOVER	1 432 983 €
NUMBER OF EMPLOYEES	16
SOURCE OF REVENUE	60 % Germany, 25 % Slovakia, 10 % Switzerland, 5 % Austria

MACHINES

Material cutting						
Cutting	Band saws for metal	BOMAR Ergonomic 275.230 DG	D 230			
Turning						
Turning	Universal center lathes	SN50C/2000	D 500			2000
Turning	Universal center lathes	SN500SA/2000	D 500			2000
CNC turning	CNC Universal center lathes	SE520/1500	D 520			1500
Milling						
Milling	Univerzálna frézka	FGSH 50		1100	650	500
CNC milling	Vertical Machining Centre	OKUMA Genos M560V		1050	560	460
CNC milling	Vertical Machining Centre	Vesta 1000 10K		100	500	550
Drilling						
Drilling	Coordinate drilling machine	Mikromat BKOZ		1100	700	750
Grinding						
External cylindrical grinding	Cylindrical grinding machine	ROBBI OMICRON 1000R	D 315			1030
Internal cylindrical grinding	Cylindrical grinding machine	STUDER RHU 750D	D 250			750
External cylindrical grinding	Cylindrical grinding machine	WOUMARD 200 Typ 5A	D 300			600
Flat grinding	Flat grinding machine	TOS BPH 20 NA		600	200	250
Coordinate grinding	Coordinate grinding machine	HAUSER 3 SM		400	250	350
Marking						
Laser marking	Laser marking machine	Laser Fiber 20V		110	110	
Measuring						
Measuring	Coordinate measuring machine	Mitutoyo Crysta - Plus M- 544		500	400	400
Measuring	Profile projector	Mitutoyo PH - A14		400	100	150
