

# Presentation of Stefani Hungária Ltd.

*History of 20 Years*

# ***The Beginnings***

***Our company was founded in December 2003 in Gönyű.  
The company is a subsidiary of Stefani Maschinenbau (Germany). The aim of the firm was to provide a high level service for the German factories in motor industry in Hungary.***

***The main profile of the company is to meet its partners' individual and special requirements in motor industry.***

***~~That time we were renting a hall and we had only 7 employees.~~***

# *Development*

*In 2006, a 5000m<sup>2</sup> site was purchased and on 800m<sup>2</sup> a factory hall was built in the International Business Park of Győr*

*In order to expand the production capacity, a new 1000m<sup>2</sup> factory hall was built in 2011.*

# Corporate Structure

*The owners are German private people*

*Currently we have 52 employees.*
